

# Industry's Best Cost Per Hand Wash Coming in Mid 2025

Manual – Foam and Lotion/Gel

Touch Free – Foam and Lotion/Gel

## New Modern Design with Enhanced Functionality:

- Long-lasting permanent pump for up to 94% reduction in post consumer refill waste
- Improved foam pump provides 250k activations (~125 refill bags)
- Improved foam quality, “moussey”
- 3 shot sizes on internal switch for added flexibility and maximum value:
  - 0.5 ml = 2000 shots/refill
  - 1.0 ml = 1000 shots/refill
  - 1.5 ml = 667 shots/refill
- Improved fill level viewability
- Locked or open functionality
- Production in North America for significant reduction in delivery time
- ADA compliant
- 4D batteries in Touch Free provides industry-leading 150,000 shots / 4 years of functionality
- Product ID foil insert can be swapped out with customer logo upon request
- Launch Timing Mid 2025
